Re: Section 64.1120(e) Notification
Home Telecom, LLC
CC Docket No. 00-257

Dear Ms. Dortch:

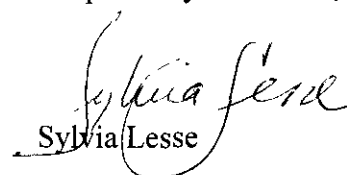

On behalf of Home Telecom, LLC ("Home"), and pursuant to Section 64.1120(e) of the Commission's Rules, we submit herewith a copy of a letter sent to the current subscribers of Daniel Island Media Company LLC ("DMIC") in contemplation of the consummation of an asset purchase agreement between the companies. The asset purchase agreement includes the customer base of DMIC that received this notice, dated May 7, 2004.

Daniel Island provides local, intrastate, interstate and international telecommunications services to its subscribers. As described in the attached notice, Home will continue the provision of these services. The parties contemplate the consummation of this transaction on or after June 10, 2004.

As demonstrated in the attached declaration, Home certifies that it has complied with the requirement to provide advance subscriber notice in accordance with Section 64.1120(e)(3) of the Commission's Rules, that it has and will comply with the obligations specified in that notice, and that it has and will comply with other statutory and Commission requirements that apply to the streamlined procedures for the transfer of a subscriber base without obtaining each subscriber's authorization and verification.

Please refer any questions regarding this notice to the undersigned.

Respectfully submitted,

Sylvia Lesse

Dear DIMC Telephone Customer:

We are pleased to report that we are progressing toward finalizing our purchase of Daniel Island Media Company, LLC ("DIMC") and anticipate that the transaction will be concluded on or about June 10, 2004. On the closing date, you will become a customer of Home Telecom, LLC ("Home"), and all of the services you previously received from DIMC will continue without interruption, and without any additional charges to you, resulting solely from the change in ownership.

As we complete this process, it is important to us that you fully understand your rights as a consumer. You do have a choice of carriers, and have the right to select a different service provider for any or all of the telecommunications services offered: local, intrastate, interstate and international long distance telephone services. Home will continue to provide the local, intrastate, interstate and international long distance telephone services to you at existing rates, and under the same terms and conditions as those currently provided to you by DIMC, unless you select a different service provider before the transfer date. We will provide you with at least fourteen days' written notice if a subsequent rate increase is contemplated. Any decrease in rate, or change in any term or condition will be effective on three days' written notice or public notice if a new service.

If you currently obtain local service from DIMC and long distance service from another company, your chosen company will remain your long distance provider after the sale has been completed unless you request another arrangement prior to the closing date. Home will continue to honor any existing long distance preferred carrier freeze you have in place with another long distance company. However, if you currently obtain local and long distance services from DIMC and preferred carrier freeze you have in place with DIMC will be terminated, you will need to contact Home to arrange a new freeze.

Home will become responsible for all service and the expenses as of the date that our transaction with DIMC closes, and DIMC will continue to respond to any issues or concerns related to the service provided prior to this date.

Should you have any questions concerning this letter, please feel free to call us at (843) 277-7305 or toll free at 1-800-671-4206. Home has a wide array of competitive services that will meet your telecommunications needs at very affordable prices, and we are looking forward to providing more information about our products and services to you in the near future.

Sincerely,

William S. Helmly
Executive Vice President
